SIZING GUIDELINE

HOW TO MEASURE

For best results, measure over your undergarments.

1 CHEST

Measure just under the arms and across the shoulder blades. Keep the tape firm and level. Between sizes, order the next size up.

2 OUTSLEEVE

Measure from the spine at the base of the neck, around the shoulder, over the elbow and down to the wrist.

3 INSEAM

Lay well-fitting pants flat. Measure from crotch to leg hem along the inside seam, or measure your body to the desired pant length.
